ON A SCHOOL VISIT  
A VISUAL STORY**

**LOCOMOTION**

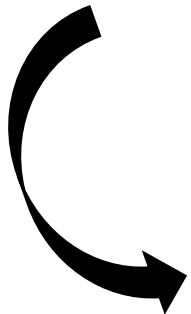

# ARRIVING AT LOCOMOTION

Your coach will drop you off in the carpark.

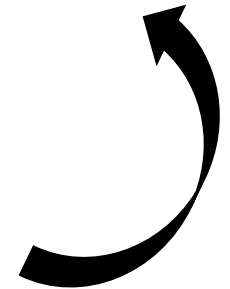

Here you will find the entrance door. Come in and find a member of the Learning Team waiting for you!

Walk down the road.

Turn right and walk along the front of the museum.

Locomotion opens at 10:00. If you arrive early you may have to wait outside for us to open.

# THE LEARNING TEAM

There are 2 members of the Learning Team, Claire and Gareth. You might not be taught by both of us on the day of your visit and sometimes we have volunteers with us to help.

We are looking forward to meeting and working with you!

# INSIDE LOCOMOTION

Welcome to Locomotion!

This is the shop.

These signs show where the toilets are.

They are found next to the café and at the back of the museum on the left.

# LEARNING AREAS

During your visit you will use our object handling tables and craft tables.

When it is time for lunch, there are tables reserved for you. Alternatively there are picnic tables outside if the weather is good.

# SELF LED ACTIVITIES

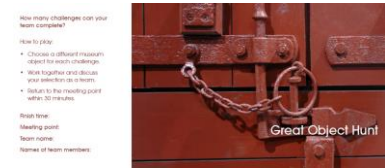

During self led time in the museum there are different activities you can do.

Activity Trails on the Reception Desk

Playground

Object Hunts

Sensory Table

Treasure Hunters App

Indoor Play Area

The Object Hunts can be found at <https://www.locomotion.org.uk/learning/learning-resources> and need to be brought with you.

The Treasure Hunters App needs to be downloaded onto a phone or tablet. More information can be found at <https://learning-resources.sciencemuseum.org.uk/resources/treasure-hunters-gamify-museum-visit/>.

# IN AN EMERGENCY

If you hear an announcement saying “Ladies and Gentlemen, may I have your attention please. It has become necessary to evacuate the building”

This means we need to leave the building quickly and calmly through one of the fire exits.

We wait in front of the green containers at the front of the museum. Do not go back inside until a member of staff tells you that it is safe to do so.
